

No family's car key should ever double as their house key.

For many families experiencing homelessness, their car is their only shelter.

Generous supporters like you have partnered with Our House to end the cycle of homelessness for families in the Greater Atlanta community for more than 30 years. Join us for our second annual Wheels4Walls event providing shelter to live and education to thrive for our city's most vulnerable families.

## wheels 4walls

In order to get these families out of their cars, we need to get you into yours.

Wheels4Walls encourages supporters to spend one night in their car to help raise awareness of families experiencing homelessness. Proceeds benefit Our House and help these families achieve self-sufficiency.

Here are three ways you can make a difference:

### 1 Sleep In

November 15, 2019 | St. Luke's Church or Your Home

Join Our House for a sleep in with fellow supporters committed to ending the cycle of homelessness for families. Spend the night in your car at our group sleep in at St. Luke's Church or sleep in your car at home to show your support.

### 2 Donate

Can't sleep in this year? You can still support families experiencing homelessness by making a charitable donation to Our House. Your contribution will help over 500 individuals impacted by homelessness achieve self-sufficiency.

### 3 Sponsor

Join local efforts to end the cycle of homelessness for families by becoming a sponsor for Wheels4Walls. Sponsorship allows your company to make a positive impact in the Greater Atlanta community and promote your commitment to improving the city for all of its residents.
